**Warranty:** This product is warranted for a period of 180 days from the date of delivery to purchaser to be free from defects of material and workmanship when used in a normal manner, and excludes all implied warranties, including those of merchantability and providing periodic inspection is conducted to maintain Good Manufacturing Practices. The liability of the Warrantor hereunder excludes consequential damage to persons or property of all types and is limited, at warrantor's option, to replace or repair or refund, as applicable. Purchaser should make written claim to warrantor to commence warranty adjustment procedures. Upon warrantor's receipt of written notice from purchaser, within the warranty period that claim is being made, pursuant hereto together and substantiating purchase documentation, Warrantor shall have reasonable opportunity to inspect all assembly components.
